

RAWLINSON & HUNTER CROWNED BEST ACCOUNTANCY TEAM AT THE *WEALTHBRIEFINGASIA* AWARDS 2020

Rawlinson & Hunter, one of Asia's industry leaders has been crowned 'Best Accountancy Team' at the 8th *WealthBriefingAsia Awards*.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2019'.

Commenting on the firm's triumph, Peter Milnes, Managing Director, Rawlinson & Hunter Singapore said: "We are humbled and honoured to receive such a prestigious award. This award is testament to our team's exceptional focus on delivery and client engagement. Our team prides itself in ensuring our communication is second to none, to ensure the client is able to benefit from Rawlinson & Hunter's broad expertise across accounting, trust, tax and corporate services."

ClearView Financial Media's CEO, and Publisher of WealthBriefing, Stephen Harris, was first to extend his congratulations to all the winners. He said: "The firms who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations. These awards were judged solely on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in wealth management."
