

PHILIPPA STOKES APPOINTED DIRECTOR

JUNE 2020 - The partners of Rawlinson & Hunter are pleased to announce that Philippa Stokes has been appointed as a Director of The R&H Trust Co. Ltd. (R&H Trust & Corporate).

Philippa joined the R&H Trust & Corporate team in 2013 and primarily works with complex trust structures.

Prior to joining the firm, Philippa worked as a tax adviser in two of the Big 4 accountancy firms. She has the distinction of being the top STEP Diploma Student in the Caribbean and Latin America Region for 2014-15. She is a Chartered Accountant (CA Ireland), a Chartered Tax Consultant (CTA Ireland) and a Trust and Estate Practitioner (TEP). Philippa recently passed the STEP Advanced Certificate in UK Tax for International Clients and the STEP Advanced Certificate in Trust Disputes. She is a member of the Cayman Islands Institute of Professional Accountants, 100 Women in Finance and the Global STEP Public Policy Committee.

Senior Rawlinson & Hunter Partner, William Walmsley, commented, "With her well deserved promotion to Director, we recognise the tremendous effort that Philippa has made in expanding and developing services within the trust & corporate team. Her work has been instrumental in growing key areas of our service lines, and has been a strong asset for promoting inter-departmental cross-selling. We congratulate her and look forward to her continued contribution to the team and growth with the firm."

One of the areas that Philippa has focused her energies on is the expansion of the firm's contentious trust service offerings, which has involved the development of connectivity with our affiliated restructuring team.

The R&H Trust Co. Ltd. is an affiliate of Rawlinson & Hunter in the Cayman Islands.
