JULY 2021 - Leading independent financial services firm, Rawlinson & Hunter is pleased to announce a number of high profile internal appointments to further strengthen its Cayman offering.

Alan Milgate has been appointed as Senior Partner and **Philippa Stokes** has been appointed as Partner. Alan takes over this senior role from **William Walmsley**, who will remain with the firm in the capacity of Senior Consultant.

Alan has been a partner for over 15 years and has been with the firm since 1997. This change will see him assume the role of Chairman for The Harbour Trust Co. Ltd. and Chairman of The R&H Trust Co. Ltd., duly licensed Cayman Islands trust companies owned and operated by Rawlinson & Hunter in the Cayman Islands.

He is a member of the STEP Global Council and the worldwide Board of STEP, a member of the Board of Cayman Finance, past Chairman of the Cayman Branch of STEP and is a past Chairman of the Cayman Chapter of AIMA.

Mark Harris, Senior Partner of the London firm and Chairman of the Rawlinson & Hunter International grouping, said: "I am delighted to see Alan's transition to Senior Partner. I have known Alan for a number of years and have worked with him on a great many successful projects. I am sure that he will continue the great work that William has done in leading the Cayman Islands firm.

Although William is retiring as a Partner I am pleased to see that he will continue as a Senior Consultant both in servicing specific clients and with ongoing support to business operations. This is a tradition that is repeated frequently in Rawlinson & Hunter's worldwide offices and demonstrates the Partners' commitment to the firm, its clients and staff."

Philippa joined the R&H Trust & Corporate team in 2013 and primarily works with complex trust structures.

She is a Chartered Accountant (CA Ireland), a Chartered Tax Consultant (CTA Ireland) and is a Trust and Estate Practitioner (TEP). Most recently, Philippa successfully passed with distinction the STEP Advanced Certificate in Trust Disputes and is a member of the Contentious Trust Service Team at Rawlinson & Hunter. She is a member of the Cayman Islands Institute of Professional Accountants and 100 Women in Finance and sits on the STEP Public Policy Committee.

Senior Partner, Alan Milgate, commented "We welcome Philippa's admission to the partnership and look forward to her continued outstanding contribution to the trust & corporate team and the growth of the firm. Philippa's appointment holds an additional level of significance as this marks a shift in the dynamics of our leadership team as our female partners now outnumber their male counterparts, highlighting the firms' commitment to empowering strong professional women."
